

**Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards
Lead Warning Statement**

Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose

health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before providing ESG assistance, agencies must disclose information about the presence of known lead-based paint and/or lead-based paint hazards. Participants must also receive a federally approved pamphlet on lead poisoning prevention.

Agency's Disclosure

(a) Presence of lead-based paint and/or lead-based paint hazards (check (i) or (ii) below):

(i) ___ Known lead-based paint and/or lead-based paint hazards are present in the housing (explain).

(ii) ___ Agency has no knowledge of lead-based paint and/or lead-based paint hazards in the housing.

(b) Records and reports available to the agency (check (i) or (ii) below):

(i) ___ Agency has provided the participant with all available records and reports pertaining to lead-based paint and/or lead-based paint hazards in the housing (list documents below).

(ii) ___ Agency has no reports or records pertaining to lead-based paint and/or lead-based paint hazards in the housing.

Participant's Acknowledgment (initial)

(c) ___ Participant has received copies of all information listed above.

(d) ___ Participant has received the pamphlet *Protect Your Family from Lead in Your Home*.

Agent's Acknowledgment (initial)

(e) ___ The Agency has informed the participant of the agency's obligations under 42 U.S.C. 4852(d) and is aware of his/her responsibility to ensure compliance.

Certification of Accuracy

The following parties have reviewed the information above and certify, to the best of their knowledge, that the information they have provided is true and accurate.
